

VDC3

PROFILE PARK

Viatel Technology Group is a leading provider of data centre solutions and digital services. We offer a range of colocation services in our two state-of-the-art data centres located in Dublin. Housed in the finest modern infrastructure and supported by

stringent SLAs, our certified data centres ensure your technology and applications are properly powered, cooled, protected and connected.

 **VDC3, Profile Park, Grange Castle, Nangor Road, Dublin 22, D22 TY10**

Specifications

Facility

- Floor space area: 2964 sq ft
- Viatel-dedicated data suite

Power

- 10MVA power supply (480kVA Viatel-dedicated)
- UPS in 2N+1 configuration
- Standby generators in 2N configuration

Connectivity

- Access to multiple telecommunication providers: Viatel, euNetworks, Zayo, Eir, BT Ireland, Aurora Telecom, Enet, GTT, Unitas Global
- Full IP mesh connectivity from Viatel's resilient international MPLS backbone
- Viatel DWDM network providing dedicated 1/10/100G services to other major carrier neutral datacentres within Dublin Metro

Security

- On-site security personnel 24x7
- Dual authentication access with biometric
- Door access controls at site and building entrances
- External and internal CCTV with 93-day on-site retention

Cooling

- Cooling Climate ideal for indirect outside air adiabatic solution
- Minimum direct outside air introduced providing positive pressurisation in to the data hall preventing the ingress of contaminants
- IT cooling provided purely by a combination of mechanical ventilation and adiabatic cooling. No conventional mechanical refrigeration necessary
- All cooling achieved with adiabatic air to air heat exchanger technology
- No water in the data centre white space

Monitoring

- HVAC, power and building critical systems, managed and monitored 24x7
- Premises are monitored by security cameras 24x7 with digital recording

Fire Protection & Safety

- Double interlock pre-action water mist system
- Overhead and under floor smoke detection

Certifications

ISO 9001
ISO 27001

ISO 14001
ISO 50001
